

INSTALLATION & MAINTENANCE MANUAL

**LYN1xx / LYN2xx**

## GENERAL INSTRUCTIONS

**These instructions should be read carefully and retained after installation by the end-user for future reference and maintenance.**

**These instructions should be used to aid the installation of the following products:**

**LYN1BK / LYN1W / LYN2BK / LYN2W**

## SAFETY

- This product must be installed in accordance with the latest edition of the IEE Wiring Regulations (BS7671) and current Building Regulations. If in any doubt, consult a qualified electrician
- Please isolate mains prior to installation or maintenance
- Check the total load on the circuit (including when this luminaire is fitted) does not exceed the rating of the circuit cable, fuse, or circuit breaker
- Please note the IP (Ingress Protection) rating of this product when deciding the location for installation
- This product is for indoor use only
- These products are Class I and must be earthed
- This product is IP20 rated

## INSTALLATION

- Provide powered track to the required point of installation. Check it is compatible for spotlight (Fig. 1)

**Fig. 1**

- Unscrew and remove spotlight head. Insert GU10 bulb (max 7W). Refit head back on.
- Align spotlight with track, making sure correct orientation (Fig. 2A) before inserting into track.
- Check earth tab on spotlight aligns with earth strip on track.
- Once spotlight fully-in, turn securing lever anticlockwise (Fig. 2B) until fully locks and spotlight secure. Note: If lever very stiff or when fully turned spotlight not secure, check orientation or track is compatible. (Fig.1)

**Fig. 2**

- Turn circuit adjustment knob (Fig. 3) to correct circuit (1,2 or 3) for powering spotlight.

**Fig. 3**

- Switch on and check for correct operation

## **WARNING**

This product must be disconnected from the circuit if subjected to any high voltage or insulation resistance testing. Irreparable damage will occur if this instruction is not followed.

## **GENERAL**

Clean with a soft dry cloth only, do not use aggressive cleaning products or solvents which may damage the product.

This product is dimmable – dependant on bulb

This product should be recycled in the correct manner when it reaches the end of its life.

Check local authorities for where facilities exist.

## **WARRANTY**

This product has a warranty of 5 years from date of purchase. Failure to install this product in accordance with the current edition of the IEE Wiring Regulations (BS7671), improper use, or removal of the batch code will invalidate the warranty. If this product should fail within its warranty period, it should be returned to the place of purchase for a free of charge replacement. ML Accessories does not accept responsibility for any installation costs associated with the replacement product. Your statutory rights are not affected. ML Accessories reserve the right to alter product specification without prior notice.
